

Driving Directions to HAI

[A] FROM THE ATHENS AIRPORT

Enter the highway named “Attiki odos” to **METAMORFOSI-LAMIA** direction.

When you reach the **METAMORFOSI interchange No. 8** (point 4 on the map) turn right following the sign **National Road - LAMIA or THESSALONIKI** direction.

[B] FROM THE NATIONAL ROAD INTERCHANGE (METAMORFOSI)

Having entered the national highway to LAMIA direction, you will reach the “**AFIDNES**” tolls at Kapandriti area (marked on the map above).

After the 60th km (approx.) from Athens, there are signs indicating the **exit to SCHIMATARI**.

You take this exit and then, you will turn left. At the traffic lights (under the bridge) you will turn left again.

You follow the road (parallel to the National Road) for 2,3 km until you reach a road sign, that indicates the direction to **HELLENIC AEROSPACE INDUSTRY**. Turn right at that point. This road (1,1 km) will drive you to HAI facility.

[C] FROM THESSALONIKI

On E75 (direction to Athens) take the exit to “**SCHIMATARI , CHALKIDA**”. Turn right and then – after 50 m. approx. at a crossroad without traffic lights – turn left. At a certain distance you will reach traffic lights and you will continue going on straight ahead.

You follow the road (parallel to the National Road) for 2,3 km until you reach a road sign, that indicates the direction to **HELLENIC AEROSPACE INDUSTRY**. Turn right at that point. This road (1,1 km) will drive you to HAI facility.
